available today in honor of his 36th birthday, which will be tomorrow. Senator Hilgert, happy birthday. Members, we'll stand at ease while we have bill introduction. If you have bills to introduce, please bring them forward to the Clerk.

EASE

PRESIDENT MAURSTAD: Speaker Kristensen.

SPEAKER KRISTENSEN: Thank you, Mr. President. Members of the Legislature, if I could just have your attention for a moment. And for those of you who are not in your office, we'll be putting out this agenda for next week, but I just wanted to bring to your attention what we're going to do next week and start with, so you could have some idea before you left today. And we will put out a printed agenda for today. The first thing on Monday morning, we will go...obviously, do bill introductions, but we'll have a motion to adopt the permanent rules, which we'll start at 10:00 a.m., Monday morning. After that, we're going to go to a series of revisor bills that are on General File that have been introduced this year and referenced. Then there are five...well, four and one appropriations bill, four carryover bills that we'll have on General File, left over from last year. Then we're going to start down the General File worksheet order after that. So that should give you some idea of where we'll be at. We'll start at ten o'clock on Monday morning, and then nine o'clock each day after that. Thank you.

PRESIDENT MAURSTAD: Thank you, Mr. Speaker. Members, we are in bill introduction. If you have any bills, please bring them forward to the Clerk. Mr. Clerk, items for the record?

CLERK: Mr. President, new bills. (Read LB 1067-1083 by title for the first time.) Mr. President, in conjunction with those items, I have amendments to be printed: Senator Schrock, an amendment to LB 701; Senator Dierks, to LB 604. (Legislative Journal pages 169-172.)
